SOFAS AND ARMCHAIRS | Indoor
PAOLA NAVONE

A timeless icon is born from simplicity. The Budapest sofa, the first designed by Paola Navone for Baxter, represents the elegance of minimalism, of a linear and modular design that provides almost unexpected comfort. The rigid shell contains the large, enveloping seat cushions, limited by volumes that are only rigorous in appearance. The feeling of comfort is enhanced by the addition of ottomans and soft decorative cushions. The stitching details of the leather upholstery give the Budapest sofa a feeling of sophisticated naturalness, making it the centrepiece of any room.
